School outreach and bible classes.

Planting churches and reaching communities.

Helping families feed their babies and receive specialized medical care such as this baby who has a hole in her heart.

Scholarship disadvantaged children to attend a Christian bilingual k through 12th grade school, opening future opportunities and changing lives.

Ministering in the local hospitals as we give small gifts to the patients.

HRM opened our first clinic providing General and Prenatal care with ultrasound.

We also distributed equipment and supplies to 4 hospitals and 3 clinics beyond our own and received our second clinic that will open in 2017.

As our partner you did these things with us.
