The **1Nation1Day** evangelistic event was a week of dramas and invitations in all of the high schools of Honduras. The week ended

with a crusade in the capital of each department. Our interns and I participated in Gracias, Lempira with Harvest Time of Fort Smith AR by day ([video](#)) and ministered in local churches at night. ([video](#))

The 1Nation1Day program was a springboard to discipleship. This prepared a great leap forward for ministry throughout Honduras. We need your prayers to capture this opportunity to keep the momentum going forward. Through your

prayers and support this nation will stay on the fast track to a Christ centered culture. We are looking for teams, interns, and staff to build on this momentum by increasing our capacity and expanding our reach.

Thank you everyone for your prayers and support. Melissa's Mother is doing much better and is able to take care of her self. We are still praying for the \$450 for the repairs on the SUV. Please also continue to pray for our family.

Be blessed,
