Piercing the darkness is a spiritual battle. Please pray.

We are up to 75% of our budget.

Erandique, Lempira is a remote town 2 hours from La Esperanza, where we live. We visited Erandique with the 1N1D team and

God has blessed us with a **larger house**.

We now have **more capacity for teams** and interns.

discovered **15 unreached villages**. Working with a student in our Gracias Seminary class, we will start working in them. He has started going into 3 of them already. **We are asking for teams** to come with us and **work in these remote areas of the mountains**, piercing the darkness.

Coming as a team member God will work in and through you to touch the local people. You will experience the Love of God as you have never experienced it before. Take one week and change lives forever.

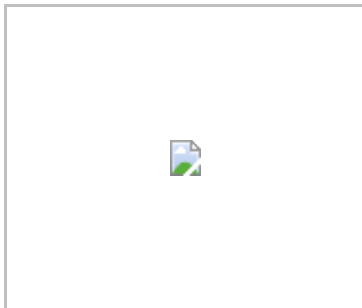

This will transform your life and your church.

You, your church, or your business can adopted an unreached village by giving the vital funds needed to sustain work in these villages.

For a hundred dollars a month we can visit the village and share and teach the love of Christ. We can also train a local leader to become pastor of that village.

Be a part of a team ministering through the heart. You can come from 1 to 12 months as you work with us showing and teaching the love of God. Opportunities range from street evangelism, classroom instruction and village outreaches. It is fun and exciting to allow God to use you on the field in a safe environment.
