It takes all of us to reach the world.

January, 2014

THANK YOU

Dean and I thank you!

Because you are on our team of encouragers, prayer warriors, and supporters 2013 was a very productive year with so many exciting things that happened!

Sometimes when you are in the midst of the work you don't feel like things are moving forward or like things are being accomplished but as we review the year behind us we can see where so many things are being done and so many people are being touched, including us!

We thank you all for the encouragement, prayers, financial support & for those of you who have come or are planning to come to work along side us in ministering and making a difference in the lives of the Hondurans!

We are only 2 and without you and the presence of the Lord we could do nothing. But, with you and the presence of the Lord we are feeding the hungry, caring for the sick and spreading the gospel!

We are believing for greater things in 2014! We have been told that 2014 is the year of the open door and the year of double portion! We are claiming it and believing God is going to make this the best year of ministry yet for Heaven's Reach Ministries!

Please be praying about projects we have in the works. We will be making some announcements soon! Also please continue to pray for our provision, favor, helpers to come alongside of us, & for Gods will to be done in us and through us!

HMM 2013 a new look

It takes us all to reach the world.

It takes a large team to do what Heaven's Reach does. It takes:

- Missionaries that go to the field. Learning the language and culture. Building Relationships and acting on ministry opportunities.
- Teams and interns that add funds, hands and encouragement to the missionaries and their work.
- Supporters who faithfully and prayerfully give to meet the monthly budget that allows the missionaries to stay on the field to act on the opportunities God presents without having to divert project funds for monthly expenses. Supporters who give project funds to build the buildings and provide vehicles to meet transportation needs of the ministry.
- Intercessors who call out to God on a daily basis covering the missionaries and the work with spiritual projection and provision. Helping fight the spiritual war of ministry.
- Encouragers who call, write, email or message those in the field to let them know they are not alone that Some one is thinking of them, praying for them, and missing them. The field is a lonely place.
- Promoters: those who tell others about the missionaries and the work, building the team. They raise awareness and funds
- Helpers, the friends, volunteers, board members, family that do things while the Missionaries are in the field like checking the post boxes, depositing checks, mailing letters and boxes.
- Covering: those who give spiritual direction, covering and mentorship.

You are all part of our team, and we need and thank God for you.

By being on our team you go with us and are a part of what we do. Just as the many people who work with or in a business. You may not be the one that

serves the customer but the customer would not be served without you.
