Several months ago, **the Holy Spirit had put it on my heart to go and do missionary work in Honduras.** I inquired about one ministry and although it looked good at the time, God immediately closed the door. Soon after that another opportunity came up. Again I prayed and fasted. I asked Him to give me confirmation if Heavens Reach was where He wanted me to go and in May of 2013 He did...

As a disciple of Jesus, I feel that in my walk with Him, that my character should be as close to His as possible. That I should be obedient unto Him. That I should go out among the lost; testify and show them the love of Jesus.

In Matt. 25:35-40, Jesus said, "For I was hungry and you gave Me food;

I was thirsty and you gave Me drink; I was a stranger and you took me in; I was naked and you clothed Me; I was sick and you visited Me; I was in prison and you came to Me." Then the righteous will answer Him, saying, "Lord, when(...)" And the King will answer and say to them, "Assuredly, I say to you, inasmuch as you did it to one of the least of these my brethren, you did it to Me."

I want to do all that I can to be an obedient and loving disciple of His.

Jesus said, [Matt. 10:38-39] "And he who does not take his cross and follow after Me is not worthy of Me. He who finds his life will lose it, and he who loses His life for My sake will find it.

There is not one other thing that I would rather be doing then to be picking up my cross and following Him...

Wow, here I am.. Finally in Honduras! I really thought that I was going to be here sooner, but God had other plans! I was one of the 12 crew members of the Divine Wind (Friend Ships) that had set sail to Friend Ships Roatan village to take care of some business. I would be helping out there and then be moving on Heaven's Reach ministry with Dean and Melissa. This was in October of 2013. We were expecting the trip to take about a week or so, but do to bad weather we became stranded on a sand bar. It is now February of 2014. His timing and not mine! I have to say that I have no regrets because this wait has brought me even closer to God. It has strengthened my faith! Each and every day was a day of victory. A day that we decided to give to God in all that we did.

We decided from day one that we were not going to let our situation get us down. That we would not, under any circumstance, lose our Faith in God. That we would let the measure of faith that has been given to us grow stronger and stronger! So we continued on working, praying

and praising our Lord! He was among us always. Never forsaking us. He provided for our every need even before we knew that we would be needing them. Thank You Father God for the miracles that we witnessed while on this sail. How you set us free in a Mighty way!!! And thank You for strengthening me, your servant, in the ways of the

kingdom, during my time at Friendships.

And now I am starting my internship with Heavens Reach Ministries. I have started taking Spanish Lessons in La Ceiba and will be going to La Esperanza to attend more classes and serving the Lord. I am really looking forward to this internship with Heavens Reach Ministries..

### It takes us all to reach the world.

Last month I gave a list of what makes up the large team needed to do what Heaven's Reach does. At the top of the list were:

- Missionaries that go to the field. Learning the language and culture. Building Relationships and acting on ministry opportunities.
- Teams and interns that add funds, hands and encouragement to the missionaries and their work.

It is a biblical fact that we should not rely on ourselves but work as a team. This is not just in missions it is for all of us.

In Ecclesiastes 4:12 it says "A person standing alone can be attacked and defeated, but two can stand back-to-back and conquer. Three are even better, for a triple-braided cord is not easily broken." A team is protection.

In Ecclesiastes 4:10 "If either of them falls down, one can help the other up. But pity anyone who falls and has no one to help them up." We all fall but we don't have to be alone when we do.

We can also get a lot more done when we work together. In Ecclesiastes 4:9 "Two are better than one, because they have a good return for their labor:"

You are all part of our team and we need and thank God for you.
