Giving classes to mothers

These ladies have high risk pregnancies because of malnutrition.

We are giving classes to empower them with knowledge of good nutrition and healthy environments for their children and family.

They come for the last weeks of their pregnancies so they will be close to the hospital in case something goes wrong.

We grow food for them and teach them what foods will help them live healthy sustainable lives.

Thanks to Seeds of Hope we also have seeds to give them to take home for home vegetable gardens. Opening the door to discipleship through humanitarian efforts is what Christ told us to do; feed the hungry and heal the sick.

We are going up into the mountains where these ladies live to continue our ministry to them. With the newly delivered bibles and teaching materials, we can be more effective by leaving them bibles as well.

Receiving a container of Bibles

What a month. It seems this month is just flying by. I love Honduras, living in the mountains gives me a sense of home, but it is so very hard to leave our family and friends.

I spent the last two weeks at the Port of Cortez going through the process of receiving a container full of:

- 111,052 Bibles
- 945,750 tracks
- 960 DVDs
- 2050 instruction books

Thanks to Hodges Ministries for donating and shipping the container to San Pedro Sula. This will be excellent for our further work into the Mountains of Erandique.

It took two weeks & over \$2,000 to receive the container at the port. What a

process! We know God has great plans for these bibles and christian literature and are excited about the souls that will be won & disciplined for the Kingdom with them.

From the Heart

I was sitting on the hill side looking out into the valley below. I was tired, weary and broke. I wanted to quit. The strength within me was gone.

Then I stopped being selfish and remembered why I was a missionary.

There are people dying and going to Hell and God asked me to be his fisherman. I prayed and the Lord reminded me that He is my strength, my shield and my provision.
