

## Celebrating 10 years in Ministry

Ten years ago God picked me. I was running from the calling and trying to find my way when God reminded me of a calling he gave me when I was young. I became licensed as a minister and started on the journey that has led me to where I am today. I am nothing but an instrument. I am humbled by how God is using Melissa and I. Two years ago we were Ordained in the ministry and renewed our commitment to God and his vision.

Since then:

We were given the opportunity to lease 50 acres of land for **Victory Farms** where we will be able to teach organic farming to substance farmers to increase what they can feed their families.

We are speaking and reaching into the **public schools**.

We are partnering with other missionaries to start **Light of the World School of Missions** teaching the application of cross-cultural missions to the called and empowering them to be effective and enduring.

We continue the **Sustainable Healthy Living Program** where we teach, minister to and help feed 12 to 20 expecting mothers a week, in a dormitory, at the local public hospital.

We are **shipping medical supplies and equipment** to help hospitals and clinics to help the poor of Honduras allowing us to minister to the staff and the patients.

**In December** we move into a ministry center equipped with a radio station, staff housing, team facilities and a storage building where we currently house biblical and medical supplies and equipment.

We will be receiving the '**clinic in a can**' medical clinic the end of December and hope to have it up and running by mid to late January.

This is a great encouragement and confirmation. We would like to invite you to celebrate and contribute to these programs and be a part of Heaven's Reach in Honduras.

As you can imagine **as ministry grows so do the budget needs of the ministry**. At the beginning of this year our budget was \$3,500. With the additions of these properties our current

budget is \$7,000 a month. We are **currently receiving \$2,700** a month with a **deficit of \$4,300** a month.

Please partner with us and be a part of the work.

There are partner **opportunities from \$10 a month** to cover the cost of a class for 20 expecting mothers, to **\$500 a month** to cover the cost of 10 hours a day per month of radio evangelism and Christian programing, to \$2,500 a month to cover the staffing and running of the clinic . Your donation of any amount needed and appreciated. Go to our website to seem more details on all of our programs and ministries at website [www.heavensreach.org](http://www.heavensreach.org)
