A New Ministry Center for the New Year

As we continue our current ministries, we are so excited to share with you how our ministry has been blessed and is growing! Today we were given the keys to a ministry center that comes with:

- 6 buildings
- a radio station
- 12 acres
- a 10 passenger van
- a Ford pick-up truck
- an auditorium with a commercial kitchen

The center was built ten years ago with the dreams for an orphanage and has only been used for a few medical mission teams over the last couple of years. Here we will be placing our [medical clinic](#) as well as starting our [Light of the World School of Missions](#).

We have been asked to bring life back to the campus and expand to minister to this community. We already have three [large medical teams](#), [two construction teams and a general mission team signed up for 2015 and have room for more](#).

We will have a soccer field, a church and a team house on property. Also, we are starting an aquaponics system to grow tilapia and vegetables. We want to use this opportunity to touch more lives in Honduras and around the world! We would eventually like to start the orphanage that was dreamed about during the creation of this center.

Please pray with us for this opportunity to be used to the fullest for the kingdom of God and His will to be done! Also, please pray about how you can be a part either as [a prayer warrior](#), [a mission team](#), [a funder](#), [an intern](#), [a full-time staff member](#), or whatever God might have you to do to grow His kingdom with us!

You can even attend our [Spanish School](#) while helping

Melissa and I thank you for your encouragement, prayers and support. without you we would
