# Heaven's Reach

What a month it has been.

As our ministry expands so does the need for more prayer, support and staff.

Prayer Points:

- Our family really needs your prayers.
- Our ministry and staff are under spiritual attack like never before.
- We are looking for more [teams](#) , [interns and staff](#) to come join our team and partner with us.
- We are starting [Light of the World School of Missions](#)
- We need to raise the balance of our budget to sustain growth.

Dean is always inviting people , pastors and ministers to come to Honduras to share with the people because he has a heart for the Honduran people and a life's' purpose to make a difference in the world for Christ. Occasionally some say yes but most say maybe or no.

Ministry Center in Honduras

We have all of our staff moved onto the new center in Yamaranguila.

We ourselves will be moving onto the center as soon as our

Maybe for you it was the first time your future spouse spoke to you, or a question asked of you—the answer to which you had never considered.

For me, that life change moment happened in a dim lit, open air gymnasium in La Esperanza, Honduras.

Who was the person that spoke the game changing words? A teenage girl named Ariana. She said

“My dream is to earn a scholarship, go to college in another country, and become a lawyer. But my family is so poor, I wanted to quit. What you said today— your story— it gave me” [read more](#)

We will be a [family clinic along with being a prenatal clinic](#) implementing new screenings and education to help the expecting mothers.

This is the first phase of our God's Love Medical Center serving Intibucá.

We have been told that we will be given two more clinics by the end of the year.

We are working on ways to fund them and provide health services in the two new towns that they will be placed in.

We are praying for partners to help us provide services and medicine to everyone at a reduced symbolic fee.

lease is up in La Esperanza.

We have around 60 people coming regularly to our Sunday church services and are about to start another church plant in a nearby town.

This is also where our warehouse is that holds our medical supplies and equipment while we sort and pack them for delivery to local hospitals and clinics.

The same ministry center where our clinic in a can is now located.

We have a team house, staff housing and the warehouse on this 15 acre ministry center

What I want you to hear is that everything you do and say has an effect on not only the people around you but the world and most importantly the Kingdom of Heaven! You have the ability to share Christ's love with everyone you come in contact with. You have the ability to speak life and purpose into those around you. If you are praying for, encouraging, supporting Heaven's Reach Ministries you are making a difference for the Kingdom of Heaven, because we are here touching lives because you help us too! It is a chain reaction, a snowball effect!

God Bless you!  
Dean & Melissa Lowman
