## Growing in ministry

You can help as we grow.

As we give thanks this year for the birth of Jesus Christ let us also give thanks for the opportunities we have to share Christ with others. We have been blessed over the last 8 years to grow and become established. We ask that you help us by partnering with us to grow our budget to meet the ministry growth we are experiencing.

Help us take advantage of the great opportunities for us to share Christ. This is a great opportunity to reach across the globe and share Christ with others as we become your hands and you reach through us. [Become a partner today](#)

You can also give a one time gift to help with our projects budgets. See projects opportunities [here](#).

The wonderful donation of a new John Deere tractor is giving a boost to the VF project. We are getting ready to sow seed for the new year. We are praying for the funds for the seed, fertilizer, and workers to get the seed in the ground & to harvest it when it is ready. We are also ready to build the barn and buy some live stock. We can get sheep for \$75 & cows for \$150.
