Come and Meet the Family...

[See our website to find out more about HRM!](#)

Come and meet the family that donated the land for the feeding center and the Church plant in Lepaterique. The church is doing great with up to 15 people and growing. The feeding center is now feeding between 30 and 65 kids each week.

But it wouldn't have been possible if God did not use this lovely family to donate the land where the church and feeding center is today.

Leonardo and his kids Chana, Herminia, Ritzy, and Valeria spend most of their days in the city dump looking for recyclables to get the money for food and other needed items. I met them about this time last year. They told me how the community needed a feeding center and a church. I told them I would come build a church and start a feeding center if the community would give me the land & when the community didn't give the

land they did.

Then we were blessed by two teams. They came and built the church and the feeding center.

Now we have church and a feeding center giving physical and spiritual nourishment to the community. Jesus said "Feed my sheep" and we are. Please pray for Lepaterique, the feeding center and the church there.
