

Heaven's Reach Ministries Partnering with you

What an exciting and busy couple of months!

We started off June with a Conference by an awesome man of God, Kingsley Armstrong! He came all the way from the United Kingdom to minister in Guatemala and with HRM in Honduras. We had a 2 day conference where 90+ pastors and leaders came together to glean from Kingsley and to hear from the Lord. We were all blessed by the word that the Lord gave us thru him.

This week we are blessed to have Pastor Terry & Sandy Sparks from Dallas with us. They ministered in the 2 church plants

concrete floor in the feeding center, closing out our time on the center in Yamaranguila and moving forward in our new locations in Yamaranguila and La Esperanza. We had a 2 day medical clinic at our new clinic location in Yamaranguila and **saw 330 people** who saw the doctor and dentist, had their hair shampooed and haircut, received massages and heard the gospel. There were many who received Christ! They also **served in the feeding center, hospital and Alberge where people were loved on and received the gift of salvation.**

feeding center on Sunday. They spent the rest of the week **building HRM a pole barn** to store the tractor and farm supplies in. They were able to put the barn up and complete the roof before heading back and prayerfully the HRM team will have it finished within another week.

Connect with us

today and will host a **conference for local pastors and leaders** the next couple of days. He also brought materials to give to the pastors.

God Is Moving

God is moving in our ministry, our staff, and in those we are blessed to minister to. We are so excited about all that is going on presently and that which is about to happen! Thank you for your prayers, support and encouragement! We have some interns coming for extended times over the next months and we ask that you remember them in your prayers as well.

God Bless you!

Dean and Melissa
