Change the lives of children.....

[See our website to find out more about HRM!](#)

Meet Ricardo. He is a local pastor. He and his wife have

dedicated their lives to serving God through a local church. They have 2 beautiful daughters. **Dayana is now 5** years old. She has attended a local preschool and is now ready for kindergarten. Dayana is very smart and has a very outgoing personality. She has a great opportunity to attend a Bilingual Christian school in Yamaranguila, Honduras. We want to help her and her parents put her in this school. We are seeking an individual, a Sunday School class or a church to help. Her parents live on a small offering from their church and temporary jobs here and there. They cannot afford this opportunity on their own. [email us today!](#)

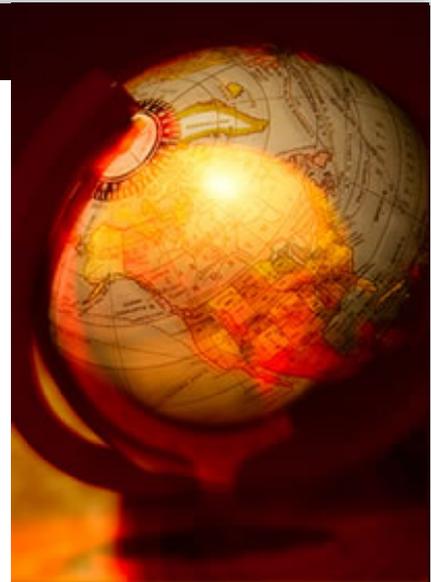

There is also another local child in need of a scholarship to the same school. She is a child of a single mother. Her name is Valerie. **Valerie is 6 years old.** She attended Abundant Life

Bilingual Christian School last year for kindergarten. She will be entering the 1st grade this year. Her grandfather paid for her school last year, however his circumstances have changed this year and he is unable to pay her tuition again. **This school is a life changer for the children that are able to attend.** First and foremost they are

getting a Christian education. Secondly the opportunity to learn English can guarantee a job in this country. This area particularly is one of the poorest in Central America with little opportunity for jobs, especially for women. We ask that you prayerfully consider helping send these girls to school. We know this is late notice as school starts the 20th of August, however, it is a life changing opportunity for both of them. The school cost is \$1500 a year for each child. It can be paid in monthly installments. The start up cost is **\$355 each, which includes uniforms and registration. Then it will be \$100 a month each for tuition.** [email us today!](#)

We thank you for considering this and praying for God's provision.

Our ministry has more than doubled in the last year and we are looking for [interns and staff](#) to come and work alongside us to minister to these kids and family.

We are also looking for an English teacher and farmer to come and help us.

The Lord, is saying, "Whom shall I send, and who will go for Us?" Then I said, "Here am I Send me!" Is the Lord calling you today?
