## Newsletter

March/April 2017

### New: Our private clinic is now open full-time

Love of God [Medical Clinic](#) is open Monday through Friday.

We are ministering to God's children and people while they see the Dr, receive medicine and other services like lab work.

We are seeing 30 to 40 people a day at a cost of less then \$10 a person.

### We are serving the children of Honduras.

Every week we visit schools and serve in a [feeding center](#) teaching the Love of Christ. These outreaches are leading to church plants around the area.

**Pray for these** outreaches and the future churches that are to follow.

### We are hosting teams and interns.

[Teams](#) and [interns](#) help the ministry and give you the opportunity to be a hands on part of Heaven's Reach Ministries. We have short and long term opportunities.
