New: Our privet clinic is now open full time

Love of God [Medical Clinic](#) is open monday through friday.

We are ministering to God's children while they see the Dr and receive medicine and other services like lab work.

We are seeing more than 40 poeple a day, over 900 a month at a cost of less than \$5 per person. Pray for the funding of this clinic so we can stay open and reaching this region for Christ.

We are serving the children of Honduras.

Every week we visit schools and serve in a feeding center teaching the Love of Christ. These outreaches are leading to church plants around the area.

Pray for these outreaches and the future churches that are to follow.

We are hostel teams and interns.
