

# Heaven's Reach

What a blessed year so far!

Melissa and I thank you for your prayers and support in 2017. We continue to be amazed at how God has and is moving in Honduras.

It is time for our Capital Campaign to raise the budget for the remaining of the year. The [clinic in Yamaranguila](#) is seeing 600 to 800 patients a month, our school outreach program, feeding center and [Victory Farms](#) projects are continuing to grow as well as church planting and scholarships for children to attend a Christian Bilingual School. All of this has increased our budget needs.

Please pray for this campaign. We are praying to increase our monthly budge of \$10, 650. This will keep everything running and help us to purchase needed medications and lab tests for the patients that come to the medical clinic.

Ask yourself "Can I by faith commit to donating \$15, \$25, or \$50 a month?"

Please help us meet our monthly budget by becoming a partner and being a part of the move of God in Honduras. God is our provider and He uses people like you to provide for His work. Know that you are planting good see in good soil. [Click her now!](#)

We have a critical deficit of \$5000 for June. Help us stay in the black and keep the clinic open with a one time gift. We are praying for \$5,000. [Give Today!](#)

Feeding the hungry

Feeding Center

Our feeding center in Le Paterique is going very well. We love this ministry. We feed the kids, teach them to pray, teach them a bible lesson, and then give the adults a message as well. We are also having church on Thursday nights with the community that is going great!

Healing the sick

God's Love Medical Center

Each person receives a doctor visit, medicines and ministry.

Our second clinic is on the donated land and the pharmacy is being built.

We are working with the local mayor on the construction.

Helping expecting mothers

We are still ministering with the expecting mothers. Giving baby and mother packs. In this picture we gave

Reaching into the schools

Planting churches

We are reaching communities by teaching bible in the schools and developing relationships that we pray will lead to church plants.

We have opportunities to help families throughout the year. We are providing formula to infants that need extra supplementation.

We have 3 children looking for sponsorship to a Christian Bilingual School. We help local schools with supplies and do outreaches in many communities.

Everything you do and say has an effect on not only the people around you but around the world and most importantly the Kingdom of God! You have the ability to share Christ's love with everyone you come in contact with. You have the ability to speak life and purpose into those around you. If you are praying for, encouraging, supporting [Heaven's Reach Ministries](#) you are making a difference for the Kingdom of God in Honduras, because we are here touching lives because [you help us!](#) It is a chain reaction, a snowball effect!

God Bless you!
