## Meet the Doctors for our second clinic.

We are excited about how they will have a personal impact on the physical and spiritual health of the community while providing care to those in need. Behind them is the new clinic and pharmacy that will server over 700 poeple a month. We will also be clearing the land around the clinic for the future location of the church and pastor's home. We already have the water and electricity ready to go. Please pray for the provision for this clinic and the staff. We are still \$1,500 short on the monthly budget. [click here to give.](#)

### Dayana made the Honor roll.

For the second year in a row, Dayana (left), our sponsored student has made the honor roll. We are looking for someone or a group (like a Sunday school class) to sponsor her educational scholarship. We also have Nayeli (right) another child waiting for a sponsor. They hope to return to school this fall.

### You can make a difference!

Anner has been working with us on Victory Farms as a disciple for a few years now. He is working with Joel and Lowell to find the best crop for the farm. They are now collaborating with an agricultural engineer from US-AID. And today, we receive word from Joel that they harvested their best crop of carrots yet.
