## Celebrating Day of the Child

The kids are growing up!

Celebrating Day of the Child

It is such a blessing to know these kids and to have seen them grow up. Now some of them are starting to help and serve in the center. To know that they are learning and growing in Christ is a precious thing. We celebrated with games, candy and a pinata.

We are praying for walls, bathrooms, and a kitchen at the center so we can start meeting when it gets cold. Please pray for the children and their families as this church grows and become a pillar in the community. A student in the seminary we taught a few years ago is now the pastor of the church at the feeding center. Pray for an outpouring of the spirit to come to this church and the community of Lepaterique.

We also scholarship some children to attend a Christian bilingual K-12 school. We are looking for more scholarships. The cost of helping a child to go this school is \$170 a month. [click here for more info](#)
