**We need your help!**

Heaven's Reach Ministries

Oct 2018

Please pray for 100

We are praying for 100 people/church/groups to commit to give \$100 or more a month for a year. Will you support us and see the work continue and see the second clinic open?

We are so glad you are reading our newsletters and praying for us. We have grown so much over the years. We have experienced an acceleration in the last two years and need a breakthrough.

We have opened our clinic full time in December 2016 and have seen over 10,000 people in the last 12 months. They see the doctor who prays for them. They receive lab tests and medicines as needed. It costs us \$5 to treat and minister to each one.

Our second clinic is about to open. We are praying fervently for the funds to come in by the end of 2018 to cover the first clinic and to open the second clinic.

We have barely been able to keep the first clinic open. With your support, we will not only keep it open but also open the second one where we expect to minister to more than the first clinic. We also have the land next to the clinic ready to build a church and pastor's home.

Please partner with us in the work to meet the needs and open the door to ministry. We ask that you prayerfully consider becoming a supporting partner.

This is a strategic time to become a partner as we are seeing fruit on the vine. One of the students who took our seminary classes a few years ago has joined us as the pastor of the church plant in Lepaterique. Moreover, one of our disciples from Victory Farms is now working with Joel in the school outreach program teaching discipleship in the public schools.

Heaven's Reach Ministries is proven and fruitful ground. Help us by becoming a Kingdom investor. [click here to see a slide show](#) overview of the work.
