Heaven's Reach Ministries

December 2018

Year in review 2018

What a year it has been. With the **birth of a child** (an answered prayer) for our administrator and growth of the church in Lepaterique we can truly say it has been a blessed year.

Victory Farms has turned the corner to sustainability and now we are looking for a permanent home. We have been leasing land for Victory Farms for 7 years and now we must move on to another location.

The clinic has continued its service and ministry in Yamaranguila and now has received newer furniture for the waiting room, a donation of restaurant booths. And the community where the second clinic is planned received dental equipment to be installed.

We are so blessed and the harvest is ripe for the reaping. Pray for the harvest.

Honduras has passed a **new minimum wage** that is affecting our budget. We prayerfully press on with our capital campaign for 2019 to **meet the new budget needs**.

Our new church planter and two motorcycles will help on fuel costs and more ministry opportunities to be explored. Please pray for us, the staff and the new budget requirements as we finish 2018.

Help us finish strong!

Help us finish strong by making a one-time tax deductible gift in 2018. Help us meet our budget by making monthly commitment for 2019. **If everyone** receiving this newsletter would **give just \$10 a month we would meet our goal**. You can also get with a few friends and as a group make a pledge to give and pray monthly and together we will reach the world for Christ.
