We are growing and looking for the funds to complete the vision God has given us.

We are raising monthly support to cover the day-to-day expenses as well as project funds to help get some onetime expenses out of the way.

We look forward to seeing the vision fully implemented and the country changed into a self-reliant and successful one for the people of Honduras; empowering a prosperous Christ centered live for each family.

Will you be the one that makes the difference?

If everyone receiving this email will donate just \$5 a month we will reach our goal
