## You can help

We were so blessed by the Montero. We were able to use it for teams, interns, feeding center, and church planting. Here is it is the back grown of the picture at the feeding center. We use it for teams, taking the food to the feeding center and visiting the community where the church plant is located.

It lasted a long time but now it cost more to fix than to replace. We are praying for \$19,500 to buy a replacement 4X4 diesel SUV.

## We need Bathrooms

They meet on Sunday after the feeding center and on Thursday nights. This week we had over 35 poeple in church.

The church in Lepaterique is growing and we need bathrooms and walls. Some of these poeple walk over a half hour to reach the church.

Please pray with us. We are praying for 100 poeple to give at least \$37. The budget is \$3,700 to finish the church. To help

## We much move

We were blessed for 7 years to start Victory Farms. Last month was our last month under the lease. We have been given 3 more months to find a new home for the Farm. We are praying for enough land to put the bible school, farm, ministry center, and more on the same property.

Please pray with us. For every \$10,000 we receive we can buy 5 acres. We are praying for 10 please to give \$1,000 towards 5 acres. we are looking for 170 acres. Anything you can give towards this project is another acres we can use to sustain Victory Farms.
