An answer to prayer

Luis is a child who has had an allergy all over his body for year. For 6 years his mother took him to the public health center but saw no improvement.

In the Love Of God Medical Clinic he was prescribed several medications and in 3 days we could see a lot of improvement. God is good. His mother has been praying for something that would help him.

When you pray and support the Love Of God Medical Clinic through HRM you are the answer to many prayers.

The first picture is when he first came the second one is 3 days later.

Please pray for Luis and all of families that come to the clinic.

Thank you for being the answer to someones prayer. Through Heaven's Reach Ministries you are ministering to the Honduran families and showing God's Love and reaching the lost.

Please Continue to Pray

God has blessed us with a low-cost lease of 50 acres for the last 7 years. This August is the **end of that season and we must move**.

This is an urgent need. We have found a great property to move to that we can **buy for \$2,200 an acre**. This is a great opportunity to own land to build on as well. **We are praying for \$150,000** to secure the **land and build a ministry center/bible school along with the farm**. We will also be able to plant long-term crops like coffee and avocados that require less work and inputs. This would be in between our fist clinic and the hospital.
