Happy New Year

Hi {FIRST_NAME|Valued Partner},

Looking back over the last decade of ministry, I have to say I am amazed how God moved and used us to do his work. From helping babies make it through the critical time by providing medical care and formula while ministering to their mothers and families to teaching a seminary for two years empowering others into ministry we are so blessed to be used by God. He has done so much in 10 years.

Melissa and I want to thank each one of you who prayed and supported what God has been doing. We know He is not finished. We have grown from two people making a difference to a ministry changing lives and communities. With your help, God will use [Heaven's Reach Ministries](#) to do more and reach more in the next 10 years. We are continuing the work of the past and starting a new bible school.

As we say Happy New Years and ringing in the New Year and New Decade, We pray each of you will have a wonderful and blessed new year. We ask you to join us and pray for the work God is doing in Honduras. With the new bible school, we will continue what we started with the last seminary. This school will empower pastors and create church planters to multiply the work of touching lives and changing communities. We continue to pray for the funds to buy land for the school and [Victory Farms](#). For now, we will start the school in the current ministry center.

Please pray as we seek to raise the budget for next year. We invite you to come on a [mission trip](#) to see and experience the work and let Heaven Reach through you.

May God bless you and yours through the New Year.
Dean and Melissa Lowman
