The vision continues.

January, 2020

A Look Back

10 years ago we started [Ministerios Alcanzando Desde El Cielo](#) (Ministries reaching from the heaven), our Honduran nonprofit.

Since then, we have seen so many great things. We shipping truckloads of supplies and equipment each year to help ministries, clinics, and hospitals serve God to help those in need. We saw the creation of [Victory Farms](#) to teach sustainable agriculture, mentor and disciple men as well as duplicate seed to give to expecting mothers. We have ministered to hundreds of mothers and families through the [Sustainable Healthy Living](#) program while teaching hygiene, nutrition, and gardening. We reached into the schools and [feeding](#), discipling and mentoring children and over [10 schools](#) and communities. This year alone we saw 120 kids come to Christ. We had many [pastor conferences](#) helping local pastors do more with their calling.

We saw children grow up and go to college in the capital city. We helped needy families send their [children to a Christian Bilingual School](#). We saw high school volunteers become [staff](#) then marry and become families in the communities where we minister. We saw partner ministries send students to nursing school one of which work in our [clinic ministering while treating over 7,000 people a year](#). We saw the free use of a complex that allowed our vision to grow and see what a complex (ministry center with team facilities and school building) could help us do. Every sense leaving it we prayed for our own. We had the use of 50 acres for [Victory Farms](#) that allowed us to learn and grow the farm project into sustainability. And now the loss of the 50 acres, we realize the benefit of the ministry owning a complex and land to farm.

We saw miracles like a staff couple who could not have children give birth to a beautiful baby girl. What a decade it was 2010-2020.

Your partnership

Means we can continue to reach by Showing God's Love to Honduras and the World.

For just \$5 we were able to treat Luis is a child who has had an allergy all over his body for years. After just 3 days it was already fading.

We pray for you.

If you have a prayer request please email us at dean@heavensreach.org

Friend,

Now that 2020 is here, we are preparing for the vision to become mature and continue to grow. For years, we have talked about starting a bible school, a mission school and a technical school.

This year we have the wood working equipment, the computers and the bible curriculum to get started. In March we will begin teaching bible school even as **we continue to pray** for the funds, building, and land for the complex and farm. We have a great teacher moving to Honduras this year to oversee the bible classes. The woodworking equipment is already in a classroom and we are praying for someone to come teach that class and train a local to help teach. The computers are ready to be setup in a classroom. We have the motorcycles to go into the communities where the expecting mothers came from and the personnel working to plant churches. The [bible school](#) will be teaching leaders in these villages and those near town as well.

This, along with your prayers, will catapult the [church planting](#) efforts into even more communities building on the relationships we have been building for over 10 years. We need your continued prayers for the finances, resources and anointing to flow as we work to do God's work by showing, teaching and releasing God's Love to the world. As you pray and God works; we will find those called to missions and train them to go to their called fields.

Please join with us as we pray for the Harvest; that God will send out laborers into the fields for the harvest is white and ready. If it is not harvested it will die in the fields and be lost forever.

Your prayers and support will make the difference in each life we reach.

God bless you all,

Dean & Melissa Lowman

We rely on donations

After hearing all that we do in Honduras. People ask me how we are supported. We are supported by donation and gifts from businesses, churches and individuals like you. every dollar counts. Together they add up to the need. If you give the amount you can our needs will be met. If you forward this email to others who will pray and or support this ministry God will continue to do great and awesome thing and open more doors. You can give any amount and God will multiply it to meet the budget that we count on to continue each day. A small amount given monthly will add up to a great help. [Become a monthly partner.](#)
