Thank you for praying for [Heaven's Reach Ministries](#), its [staff](#) and those it reaches. I pray that you and your family are blessed with His love in action, that all your needs are met and all your family are healthy and in His will. Please remember the Hondurans for whom He died but do not know the Good News.

Pray pointedly that God will touch their hearts and allow them to hear, believe and be saved. Pray for Heaven's Reach that the work will continue to grow and bless the people of Honduras.

I pray always that God will use us to minister to the people around us. I somehow think I will know when He is using us. But so God gets all the glory many times He will do great things covertly.

One of our projects, the first one, is supplying local medical professionals with supplies and equipment so they can help the people better. This opens the door to a relationship where we can minister to doctors, nurses and administrative people that in turn minister to their patients.

Last week we were delivering four surgery lights to the hospital in Gracias (the next town over), just one that we support. We prayed and hoped that they would be able to use them in some way or another. When I opened the trailer and they saw the lights. They thanked me for bringing them. They would be a great help. I told them that I was glad to be there. And that I was glad God gave me the opportunity to serve.

He said, "Thanks to God that you are bringing these lights to us. We have 2 Operating Rooms and we cannot use them because the lights do not work. Now we will be able to help so many people that are waiting for operations. Thank you so much." It is so wonderful to be the answer to someone's prayers.

Thank you for helping us continue the work in Honduras. You are an answer to our prayers. Without you we would not be able to do what we do. God is using you to answer our prayers and all we do is credited to you also. We are the hands you are the feet. As you reach out with your prayers and support so, we can read farther and God can shine brighter into the darkness.

We rely on donations

After hearing all that we do in Honduras. People ask me how we are supported. We are supported by donation and gifts from businesses, churches and individuals like you. every dollar counts. Together they add up to the need.

If you give the amount you can our needs will be met. If you forward this email to others who will pray and or support this ministry God will continue to do great and awesome thing and open more doors.

You can give any amount and God will multiply it to meet the budget that we count on to continue each day. A small amount given monthly will add up to a great help. Become a monthly partner.

God bless you all this Easter.
