

Heaven's Reach Ministries

Showing Teaching and Releasing God's Love to the World.

Corona Virus update: 3/18/2020

On Sunday, we have an amazing feeding program and church service.

We had 3 new families and the most in attendance for church so far.

The bathrooms are almost finished and the walls will be coming soon.

Thank you to all who contributed to them. We soon will be able to cook the food at the church with the help of the church body.

Sunday night, Honduras closed everything except grocery stores, gestations and medical facilities. No ground, air or sea travel permitted.

Our clinic was open as part of the medical community on Monday. Do to the ban on public transportation, the clinic only had six people. Therefore, we are not on-call.

Please pray for the staff and patients.

God is good and able to do all things. We have prayed and given him control over our lives, family, and ministry.

We were able to pay all of our staff early so they could go get what they needed to adhere to the national shelter in place order.

Mom and I are here in the ministry center in Honduras. Melissa was coming on Tuesday until the order. Please pray for us and our family.

We pray a covering over you and your family as we all go through this challenging time.
