Let's Celebrate

Dear Friend,

This is a joyous Christmas season for us. With our celebration of the clinic in Honduras being open for a year and a second clinic progressing to opening day; we are thankful to be a part of what God is doing through Heaven's Reach Ministries. We thank you all and continue to pray for each of you as you watch, pray and support us and the work in Honduras. We take time to celebrate the reason not just for the season but the reason for missions.

We are thankful for the birth of Christ Jesus coming to be on earth and dying for our sins. This good news is the reason for the season and for missions.

We are thankful for you who read, pray, and support us. Without you HRM would not be able to do what we do. You are part of us and are doing the work with us.

We pray that God will grant peace, joy, and health for you and yours this Christmas Season.

Merry Christmas

A Merry Christmas to the kids of Honduras

Presents, Games, and Dinner

At the feeding center this last Sunday the kids all received a traditional tamale dinner, a present, a lesson about Jesus and His birth and they played games. This is just some of what you do through your support of HRM.
